

MIT Sloan is located at the eastern end of the MIT campus, approximately 15 minutes by taxi or 30 minutes by subway (Kendall/MIT stop on the MBTA Red Line) from Logan Airport. Returning to the airport by car or taxi during rush hour or bad weather may require up to an hour.

Directions from Logan Airport:

- When driving from Logan Airport, follow signs for Boston and Route 93 North
- Take the exit marked Storrow Drive/Cambridge and follow the Cambridge/Somerville signs.
- After you pass the Museum of Science, turn left at the intersection for Cambridge/Memorial Drive.
- Continue on Memorial Drive for approximately one mile to the Tang building at 70 Memorial Drive. Take a right on Wadsworth and the entrance to Building E-51 is on the corner of Wadsworth and Amherst streets.

Parking:

For those who reserve parking through our office, please park at the Cambridge Marriott Hotel (enter on Broadway Street). Please give the valet parking attendant your company name and notify him or her that you are with the MIT Sloan Masters' Career Fair.

If you do not reserve parking through our office, Public parking lots are outlined on the attached map. The Cambridge Marriott and the parking lot on Third Street are the closest available public lots. These are both about a 5-7 minute walk to our office.

Enter through the glass revolving door to the MIT Sloan building at the corner of Wadsworth and Amherst Streets. The Career Fair will be held on the first floor. **Please note: there is no parking available on the MIT campus.**

Taxi:

The building address is 70 Memorial Drive, but please have the taxi drop you off in the rear of our building on the corner of Wadsworth and Amherst Streets. Enter through the glass revolving door. The Career Fair will be held on the first floor.
