

JAMES M. UTTERBACK
David J. McGrath jr (1959) Professor of Management and Innovation
M. I. T. Sloan School of Management
Professor of Engineering Systems M.I.T. School of Engineering

Education:

Northwestern University B.S.,	Industrial Engineering	June 1963
Northwestern University M.S.,	Industrial Engineering	August 1965
M.I.T.	Ph.D., Industrial Management	June 1968

Principal Field of Interest:

The process of technological innovation, and factors that influence innovation including organizational behavior, corporate strategy and government policy

Non-M.I.T. experience

	<i>Beginning</i>	<i>Ending</i>
Indiana University School of Business Assistant Professor	December 1968	June 1972
Indiana University School of Business Associate Professor	June 1972	June 1976
Harvard Business School Visiting Associate Professor *	September 1974	July 1976
Chalmers Technical University Visiting Professor*	September 1980	June 1982

History of M.I.T. appointments:

<i>Rank</i>	<i>Beginning</i>	<i>Ending</i>
Research Associate	July 1974	Nov 1979
Associate Professor of Engineering	November 1979	July 1993
Director of Industrial Liaison	July 1983	June 1989
Leaders for Manufacturing Professor	March 1989	Dec 2000
David J. McGrath jr (1959) Professor of Management and Innovation	January 2001	Present
Professor of Engineering Systems	May 2004	Present

Professional appointments:

Research Policy, United States Editor, 1979-1998

Research Policy, Associate Editor, 1998-Present

IEEE Transactions on Engineering Management, 1978-2010

Technology Forecasting and Social Change, 1989-2004

Production and Operations Management, Area Editor, 1991-1993

Board of Governors, Argonne National Laboratory, 2004 through 2010

Honors:

Chalmers University, D.Sc. (Honorary), May 1997.

Elected a foreign member of the Royal Swedish Academy of Engineering Sciences (IVA) in 1999.

Lifetime Achievement Award, Technology Management Education Association, June 2004.

Elected a Life Member of Clare Hall, University of Cambridge, 2007.

Katholieke Universiteit Leuven, Honorary Doctorate, June 2012.

Leadership in Technology Management Award from PICMET, July 2013.

Elected a Fellow of the American Association for the Advancement of Science, November 2013.

Publications:

Books

Christopher T. Hill and James M. Utterback (eds.), *Technological Innovation for a Dynamic Economy*, New York: Pergamon Press, 1979. Author of Chapters 2 and 9, pp. 40-65 and 318-330.

Robert T. Lund, Marvin A. Sirbu, Jr., James M. Utterback with Michael J. Brand, Matthew L. Lazarewicz, Clinton S. Stanovsky, John C. Stewart, *Microprocessor Applications - Cases and Observations*, London: Her Majesty's Stationery Office, 1980. Author of Chapters 8 and 10, pp. 125-134 and 150-166.

James M. Utterback, *Mastering The Dynamics of Innovation*, Boston, Massachusetts: Harvard University Business School Press, 1994. Paperback 1996.

James M. Utterback and Bengt-Arne Vedin with Eduardo Alvarez, Sten Ekman, Susan Sanderson, Bruce Tether and Roberto Verganti, *Design-Inspired Innovation*, Singapore: World Scientific Publishing, 2006. Paperback 2006.

Conference Proceedings (Since 1994)

Keynote speaker with Marc H. Meyer, "Product Development: Reducing Cycle Times," **Annual Meeting of the Industrial Research Institute**, Williamsburg, Virginia, October 1994.

Co-chair of the **Third International Product Development Management Association Conference**, INSEAD, Fontainebleau, France, April 15-16, 1996.

Carl W. J. Pistorius and James M. Utterback, "A Lotka-Volterra Model for Multi-Mode Technological Interaction," **Proceedings of the Fifth International Conference on the Management of Technology**, The University of Miami, Feb. 1996, Pp. 62-71.

Clayton M. Christensen, Fernando F. Suárez and James M. Utterback, "A Survival Analysis of Firms in the Rigid Disk Drive Industry," **Sixth Annual Conference of the Joseph A. Schumpeter Society**, Stockholm, Sweden, June 2-5, 1996.

Co-chair of the **Fourth International Product Development Management Association Conference**, Stockholm School of Economics, Stockholm, Sweden, May 26-27, 1997.

Co-chair of the **Fifth International Product Development Management Association Conference**, University of Bologna, Como, Italy, May 24-26, 1998.

James M. Utterback, "Disruptive Technology: Predator or Prey?" invited "Distinguished Lecture" presented at the **Academy of Management**, Seattle, Washington, August 4, 2003.

Eduardo Alvarez and James M. Utterback, "Sources of Creativity for Product Innovation," presented at the CORS-INFORMS International Meeting, May 16-19, 2004, Banff, Canada.

J. Peter Zelten and James M. Utterback, "Digital Photography and the Dynamics of Technological Innovation," presented at the CORS-INFORMS International Meeting, May 16-19, 2004, Banff, Canada.

Session Chair, "Teaching Programs in Biomedical Entrepreneurship," the CORS-INFORMS International Meeting, May 16-19, 2004, Banff, Canada.

Session Chair, "Organizing for Product Development," 11th International Product Development Management Conference, June 20-22, 2004, Trinity College Dublin, Ireland.

James M. Utterback and Elizabeth Garnsey "Firm Growth and Evolution," presented at the Academy of Management Annual Meeting, August 11, 2004, New Orleans, Louisiana.

Annika Rickne and James M. Utterback, "Critical Events in Early Phases of Firm Development," 2004 International Schumpeter Society Conference in Milan (9-12 June 2004

Annika Rickne and James M. Utterback, “Policies for Emerging Markets: Scrutinizing Regenerative Medicine in Sweden and Massachusetts,” 4th Movements in Entrepreneurship Workshop in Iceland May 21st - 24th, 2005 organized by the Entrepreneurship and Small Business Research Institute and Reykjavik University.

Henry B. Weil and James M. Utterback, “The Dynamics of Innovative Industries,” The Twenty-third International Conference of the System Dynamics Society, Boston, Massachusetts, July 17-21, 2005.

Elicia Maine and James M. Utterback, “Synthesis and Experimentation in Firm Creation: The Confluence of Biotechnology and Nanotechnology,” PICMET'05 (Portland International Conference on Management of Engineering and Technology), Portland, Oregon, July 31-August 4, 2005.

Visiting Fellow and Lecturer, Innovation Master Class series funded by the Advanced Institute of Management Research (AIM), United Kingdom.

- Talk and commentary at AIM Innovation subgroup, London Business School, June 23, 2006.
- Workshop with Innovation and Productivity Grand Challenge Fellows. Based on the IJM paper on Discontinuous Innovation, with a short presentation followed by discussion, Imperial College, Tanaka Business School, London, June 27, 2006.
- Distinguished Lecturer, External Seminar Series, *Design-Inspired Innovation*, Imperial College, Tanaka Business School, London, June 28, 2006.
- Invited seminar on, *Synthesis and Experiment in New Firm Creation: the Confluence of Biotechnology and Nano-technology*, Science Policy Research Unit (SPRU), Sussex University, United Kingdom, June 30, 2006.

Invited lecturer, Module on Management of Innovation, Alta Scuola Politecnica, Venice, Italy, August 28-30, 2006.

SPRU 40th Anniversary Conference, The Future of Science, Technology and Innovation Policy: Linking Research And Practice, 11th-13th September 2006.

- *The Direction of Innovation: a New Research and Policy Agenda*, Keynote welcoming address.
- *Sources of Creativity for Product Innovation*, refereed paper.

Design-Inspired Innovation, invited lecture presented at Malardalen University, Eskilstuna, Sweden, October 24, 2006.

How Do New Industries Emerge? Invited seminar presented at Forum for Innovation Management, Stockholm, Sweden, October 25, 2006

Contributor, Firm and Industry Evolution and Entrepreneurship (FIVE) Conference, Tuck School of Management, Dartmouth College, Hanover, NH, May 11-12, 2007. (Sponsored by the Kauffman Foundation).

Design-Inspired Innovation, a featured panel discussion at the Mass Customization World Conference at MIT, October 9, 2007. (Panel organizer and contributor)

Synthesis and Experiment in New Firm Creation: the Confluence of Biotechnology and Nano-technology, invited lecture presented at Malardalen University, Eskilstuna, Sweden, October 22, 2007.

Synthesis and Experiment in New Firm Creation: the Confluence of Biotechnology and Nano-technology invited contribution to Wallenberg Symposium on Medicine Technology and Economics, at The Royal Academy of Engineering Sciences, Stockholm, Sweden, October 26, 2007.

INFORMS Panel on "Innovation and Product Development: Engineering, Organizational and Technology Perspectives." INFORMS Annual Meeting, Seattle, WA, November 5, 2007.

Participant, University of Karlsruhe 2007 Technology Conference at MIT, November 10, 2007.

Presentation on "Innovative and Revolutionary Concepts for the Naval Enterprise," by invitation of the Chief of Naval Operations - Strategic Studies Group (CNO-SSG) at the Naval War College in Newport, Rhode Island, November 29, 2007.

Discussant, Strategy and Innovation, Sumatra Ghoshal Conference at London Business School, May 18-19, 2008.

Design-Inspired Innovation, a featured presentation for the Design Council of Singapore by video link at National University of Singapore, August 18, 2008.

Panelist, Council on Competitiveness, *Midwest Energy Summit on Energy Security, Innovation and Sustainability*, May 13-14, 2009, The University of Chicago.

Keynote speaker on *Design-Inspired Innovation* and session chair for *User-driven Innovation*, at the 12th Annual Conference on Technology Policy and Innovation, Porto, Portugal, July 12-14, 2009.

Participant, Council on Competitiveness National Energy Summit & International Dialogue: Driving Competitiveness through Sustainable Energy, September 23-24, 2009, Washington, D.C.

Invited lecture on *Design-Inspired Innovation* and faculty seminar on *Synthesis and Experimentation in Firm Creation: the Confluence of Biotechnology and Nanotechnology*, The Royal Institute of Technology, Stockholm, Sweden, November 2, 2009.

Invited lecture on *Design-Inspired Innovation* and visiting fellows seminar on *The Dynamics of Innovation*, The Norwegian Institute of Technology, Trondheim, Norway, November 5-6, 2009.

James M. Utterback, "An Ecology of Innovation," invited distinguished lecture presented at the **INFORMS Annual Meeting**, Phoenix, Arizona, October 15, 2012.

James M. Utterback, "Explorations in Technology, Innovation and Entrepreneurship," invited Keynote address presented at the **PICMET Annual Meeting**, San Jose, California, July 29, 2013.

A symposium at the annual meeting of *AAAS* in Boston on the “Confluence of Streams of Knowledge: Biotechnology and Nanotechnology” co-organized by Elicia Maine and James Utterback, February, 2013.

James M. Utterback, “Design-Inspired Innovation,” invited Keynote address presented at the *PICMET Annual Meeting*, Portland, Oregon, August 4, 2015.

Discussant, Academy of Management Symposium on “Commercializing Science: Strategies, Frameworks, Organizational Innovation,” *Academy of Management Annual Meeting*, August 10, 2015, Vancouver, British Columbia, Canada.
