Please note that some courses may not be offered this academic year and/or may experience scheduling or unit changes. Consult the Sloan Course Browser for the most current scheduling information about Sloan subjects (those numbered 15.xxx), and visit the MIT Subject Listing & Schedule for up-to-date information about courses taught in other departments.

MBA students may complete one track only; they may also complete one or more Sloan certificate programs, in addition to a track. Students who choose to complete more than one program may have a maximum overlap of two subjects between each pair of programs.

For more information, visit Enterprise Management Track.

1. REQUIRED SUBJECTS Students must complete the subjects below. Students must take either 15.761, 15.814, or 15.900 in their first term; 15.401 may not be taken in their first term.
   - 15.830 Enterprise Management Lab (Fall into IAP, 9 units, required during 1st year)
   - ES.608 SIP Workshop: Management Practice Hack-A-Thon (Required during 1st Spring SIP)
   - 15.401 Managerial Finance (Fall/Spring, 9 units) OR 15.402 Corporate Finance (Fall/Spring, 9 units)
     *15.401 is a pre-requisite for 15.402. Students who have not taken 15.401 may register for 15.402 with the permission of the instructor or by passing the finance waiver exam.
   - 15.761 Introduction to Operations Management (Fall/Spring, 9 units)
   - 15.814 Marketing Innovation (Fall/Spring, 9 units)
   - 15.900 Competitive Strategy (Fall/Spring, 9 units)

2. ELECTIVE SUBJECTS Students must take a minimum of three electives. Electives are categorized below by career interest and industry, and students are encouraged to use these categories to ensure both sufficient specialization on their desired career and the broad background which is the signature of the EM Track.
