

Master of Finance Timeline

The MFin program provides strong experience with the fundamentals, plus the flexibility to customize. Use this page as a guide for your 18 months.

Personalize Your Curriculum

You can build a program specific to your needs, while also accessing MIT courses. Choose from 5 optional concentrations and 3 certificates to focus your degree. Plus, each semester is a new opportunity to complete an action learning lab.

Optional Concentrations

- Capital Markets
- Climate and Social Impact Finance
- Corporate Finance
- Financial Engineering
- FinTech

Optional Certificates

- Business Analytics
- Healthcare
- Sustainability

Action Learning Labs

- Finance Lab (Fin-Lab)
- Proseminar in Capital Markets
- Proseminar in Corporate Finance
